Past and present faces help celebrate Happy Hours Nursery's 21st Birthday

Happy Hours Nursery, in Nailsea, was packed with former and current children and staff who gathered to celebrate the last 21 years. Festivities included a bouncy castle, games, and face painting before tucking into party nibbles and a birthday cake.

Established in November 1991 by Lorraine Osment the Nursery has seen over a thousand children through the years. Lorraine said: "We are thrilled to be celebrating our 21st birthday and it was wonderful to see so many familiar faces. Thank you to all the parents and children who have supported us over the years and most especially to the loyal, trusted staff who help make Happy Hours the great nursery it is."

One member of staff Cheryl Vickers has been with the Nursery from the beginning. Cheryl said "I love working at Happy Hours. It's a lovely environment and it is so rewarding being part of children's lives and watching them grow and develop".

Former children Catherine Baker and Sammy Roach, now 16 years old also came along and enjoyed the festivities including letting 21 bio-degradable balloons fly-off.

The nursery offers baby, toddler and pre-school childcare for children between three months and five years old, either part-time or full-time and is the only nursery in Nailsea that can accommodate children under two.
